128 oz / 1 gal / 3.8 L
wash • shine concentrate for dilution

CARCINOGEN-FREE

Vivesan™ Auto Wash + Shine *safe cleaning power*

Spend less time cleaning, and more time enjoying your vehicle's showroom gleam. This exterior cleaner quickly removes dirt, dust, and bugs, and adds a lustrous shine. Vivesan is an all natural, plant-derived, biodegradable blend that delivers in one bottle what many other soaps and waxes promise — without the toxic chemicals. Great for trucks, boats, bicycles, motorcycles, and other exterior metal surfaces, including appliances.

Directions: Always work on a cool surface. Add 8 ounces Vivesan Auto Shine to 1 gallon of water. Rinse away loose dirt and dust. Spray or sponge vehicle generously with Vivesan Auto Shine, then buff dry with a soft cloth while the surface is still wet. Use Vivesan Glass Cleaner for windows and mirrors.

Precautions: This product is slippery when spilled. Use normal precaution while diluting or spraying. Not for internal consumption. Chemically-sensitive people should test before using. In the event of eye contact, rinse thoroughly. If swallowed, contact a physician.
KEEP OUT OF THE REACH OF CHILDREN.

Ingredients: Processed extracts of natural plants, such as coconut, corn, grains, tree sap, and plant-based wetting agents in a base of colloidal micelles.

CARPET CLEANER

FOR CLEANING MACHINES • SPOTS • STAINS

- A Safer Choice for Humans, Animals and The Environment
- Odorless • No Fumes
- Economical
- Made in USA

128 oz / 1 gal / 3.8 L
concentrate for dilution

CARCINOGEN-FREE

Vivesan™ Carpet Cleaner *safe cleaning power*

Vivesan's low suds formula removes dirt, grime, soil, and most spots and stains. This all natural, plant-derived, biodegradable blend packs the same power as other cleaners — without the toxic chemicals. It's safer for you, your equipment, and the planet we share.

Directions for Use In Cleaning Machines: Add 1 ounce of Vivesan Carpet Cleaner to 5 gallons of water to clean 2,000 Sq. Ft. No special disposal is required.

For Spot and Stain Removal: Blot liquid stains with absorbent cloth to remove fluid. For solid stains, allow to dry, then remove material. Add 2 ounces of Vivesan to 1 quart of clean water and spray generously on stained area. Leave on for approximately 10 minutes to allow product to penetrate, then gently agitate with a wet brush. Blot away excess moisture with a clean, absorbent cloth.

Precautions: This product is slippery when spilled. Use normal precaution while diluting or spraying. Not for internal use. In the event of eye contact, rinse thoroughly. If swallowed, contact a physician.

KEEP OUT OF THE REACH OF CHILDREN.

Ingredients: Processed extracts of coconut, corn, grains, sugar cane, tree sap.

EQUINE CARE

COAT SHINE • BATH

- A Safer Choice for Humans, Animals and The Environment
- Petroleum-free and Hypoallergenic
- Made in USA

128 oz / 1 gal / 3.8 L
concentrate for dilution

CARCINOGEN-FREE

Vivesan™ Equine Care *safe cleaning power*

Capture the power of this plant-derived, biodegradable bath formula to gently cleanse and shine your horse. A Vivesan bath lathers away dirt and grime, without odors or carcinogenic chemicals that harm you or your horse.

Directions for Bath: Rinse your horse thoroughly. Working in large sections, apply approximately 1 oz (30 mL) to horse's skin and massage into a light lather, continuing to add water as necessary. Wait 2 minutes. Rinse thoroughly and dry.

Directions for Spot Cleaning: For face, feet, ears, etc., dilute with equal parts water. Apply using a soft cloth. Comb in if necessary.

Precautions: This product is slippery when spilled. Use normal precaution while diluting. Not for internal use. In the event of eye contact, rinse thoroughly. If swallowed, contact a physician.

GLASS CLEANER

MULTI-SURFACE STREAK-FREE SHINE

- A Safer Choice for Humans, Animals and The Environment
- Odorless • No Fumes
- Economical
- Made in USA

128 oz / 1 gal / 3.8 L
ready-to-use spray

CARCINOGEN-FREE

Vivesan™ Glass Cleaner *safe cleaning power*

Improve your outlook when you clean glass and windows with Vivesan's fume-free proprietary formula. Blended without drying agents that can cause nasal or lung tissue irritation, this multi-surface cleaner adds shine where you need it. Vivesan is an all natural, plant-derived, biodegradable blend that packs the same power as leading ammonia brands — without the toxic chemicals. Plus, glass surfaces stay cleaner up to six times longer. Fingerprints and smudges can usually be buffed away without re-cleaning, saving time and money.

Directions: Spray sparingly to surface. Wipe with a clean cloth or squeegee, then buff and polish with the dry side of the cloth. **NOTE:** This product contains no toxic drying agents, so a second buffing is recommended.

Precautions: This product is slippery when spilled. Use normal precaution while diluting or spraying. Not for internal consumption. Chemically-sensitive people should test before using. In the event of eye contact, rinse thoroughly. If swallowed, contact a physician.
