LAUNDRY SOAP

FOR TRADITIONAL MACHINES and

128 oz / 1 gal / 3.8 L
laundry soap concentrate

Made in USA

CARCINOGEN-FREE

Vivesan™ Laundry Soap safe cleaning power

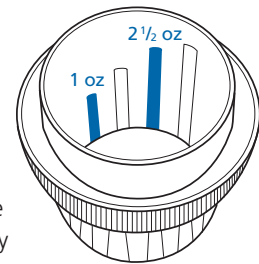

Vivesan's low suds formula removes dirt, grime, soil, and most spots and stains. This all natural, plant-derived, biodegradable blend packs the same power as detergents — without the toxic chemicals. It's safer for you, your family, and the planet we share.

For High Efficiency (he)

Machines: Fill cap to 1 oz line.

For Traditional Washing

Machines: Fill cap to 2 1/2 oz line.

Directions for Stain Removal: Saturate the stain completely with Vivesan Laundry Soap. Do not dilute. Work in thoroughly to penetrate stain. Wait 5 minutes, then wash as usual.

PRECAUTIONS: This product is slippery when spilled. Use normal precaution while diluting or spraying. Not for internal use. In the event of eye contact, rinse thoroughly. If swallowed, contact a physician. **KEEP OUT OF THE REACH OF CHILDREN.**

Ingredients: Processed extracts of coconut, corn, grains, sugar cane, tree sap.
